2015 HOURLY RATE FACT SHEET

Introduction

This hourly rate report is published periodically about the economics of law practice in Texas. To make such information available to attorneys, the State Bar's Department of Research and Analysis conducted the Texas Attorney Survey – Status 2015 on March 21, 2016. A goal of the survey was to obtain information on hourly rates charged in 2015 by Texas attorneys.

This report presents the data collected on the hourly rates of 4,260 licensed and practicing, full-time private practitioners who provided hourly rate information for the calendar year 2015. The report provides detailed breakdowns of hourly rates by sex, race, ethnicity, age, law firm size, years of experience, area of practice, and region of the state. A comparison to 2013 hourly rates is also provided for select demographics.

The questionnaire was emailed on March 21, 2016, to all active State Bar of Texas attorneys who have not opted out of taking surveys (N = 94,150). The survey's response rate was 12.5 percent, with a total of 11,793 attorneys responding to at least a portion of the survey. A more detailed description of the methodology and a copy of the questionnaire are included at the end of this report (Appendix A).

This report on hourly rates displays the median hourly rates by category. The median hourly rate is the preferred measure of average hourly rates, rather than the mean, because it more accurately represents the typical rates. Rates are only reported on categories with 6 or more responses.

2015 and 2013 Overall Hourly Rates¹: Distribution Statistics

This *distribution statistics* table on the right shows the following statistics of 2015 hourly rates:

- i. The **mean (average)**: of reported hourly rates.
- ii. The **75th percentile**²: 75 percent of attorneys charge at or less.
- iii. The **median (50th percentile)**: the hourly rate charged at the midpoint of a rank ordering of attorneys' rates (50 percent of attorneys charge the median or less).
- iv. The **25th percentile**, the rate that 25 percent of attorneys charge at or less than.

When possible, the 2013 hourly rate medians are shown for the comparison.

¹If an attorney's hourly rate varied by area of practice, a simple average for that attorney was calculated.

Hourly Rate Summary Findings

Below are summary findings from the 2015 survey. Articles will be published in the *Texas Bar Journal* to provide detailed information on notable findings.

All hourly rate information provided in this report is for full-time private practitioners only.

Hourly Rates by Demographic Category

- The median hourly rate reported for all full-time private practitioners increased by 7.4 percent (\$242 to \$260) from 2013 to 2015.
- The median hourly rate reported for women attorneys increased by 9.6 percent (\$228 to \$250) from 2013 to 2015. This compares to a 11.3 percent (\$247 to \$275) increase for male attorneys.
- The median hourly rate reported for racial minority attorneys increased by 14.7 percent (\$218 to \$250) from 2013 to 2015. This compares to a 6.1 percent increase (\$245 to \$260) for white attorneys.
- There is a direct relationship between median hourly rates and years of experience, age, and firm size. Information on median hourly rates reported in 2015 for these categories include:
 - Years of experience: Rates increase as attorneys obtain more experience. In 2015, rates ranged from \$200 for attorneys who had 2 or less years of experience to \$300 for attorneys who had more than 25 years of experience.
 - Age: Rates increase as attorneys age. In 2015, rates ranged from \$180 for attorneys who were 21 to 25 years of age to \$300 for attorneys who were more than 65 years of age.
 - Firm size: Rates increase as firm sizes increase. In 2015, rates ranged from \$250 for attorneys who worked as solo practitioners to \$425 for attorneys who were in firms with more than 400 attorneys.
- Detailed information on hourly rates reported by practice area can be found on pages 6-7, and 9-11.

Hourly Rates by Geographic Region

- Overall median hourly rate findings by geographic region include:
 - All metropolitan regions: Rates for attorneys in metropolitan regions increased by 8.2 percent (\$243 to \$263) from 2013 to 2015.
 - Non-metropolitan areas: Rates for attorneys in non-metropolitan areas increased by 20.6 percent (\$199 to \$240) from 2013 to 2015.
 - Out of state/country: Rates for attorneys out of state/country increased by 9.7 percent (\$269 to \$295) from 2013 to 2015.
- Detailed information on hourly rates by geographic region can be found on pages 8-13.

State Bar of Texas Attorney Survey -- Status 2015

MAILING

Dear Attorney,

The State Bar of Texas needs your help! **Complete the 2015 Texas Attorney Survey and you could win one of five prizes.** Two-hundred participants will each win \$10 gift cards, two participants will win an Apple iPad Pro, and two will receive a pair of tickets to one of the following events:

- Dallas Cowboys Regular Season Home Game (game to be determined once schedule is available)
- Houston Texans Regular Season Home Game (game to be determined once schedule is available)
- NASCAR Chase for the Sprint Cup AAA Texas 500 Race
 - Suite tickets including food and beverage
 - VIP credentials into garage/pit area

The Texas Attorney Survey is conducted every other year to provide Texas attorneys with information about the economics of the practice of law. Reports generated from this survey will include detailed breakdowns of income, hourly rates, pro bono services, law school and career satisfaction, and State Bar of Texas Member Services. Results of this survey will be made available at texasbar.com/research.

This year the State Bar of Texas teamed up with Texas A&M University to include questions that touch on the economic and non-economic value of a law degree and career satisfaction. This information should help to provide prospective law students, law schools, and members of the bar with insight on how legal education affects an attorney's career.

This survey is anonymous, and the process is secure. Your email address will be used for the drawings and will then be deleted and not associated with your responses.

Completion of the survey takes about four to eight minutes, depending on your occupation and pro bono experience. **Please complete the survey by 5 p.m. Monday, April 4, 2016.**

Your participation will help ensure you and other Texas attorneys have the most current economic information available.

If you have any questions please feel free to call us at (800) 204-2222, ext. 1724 or email us at research@texasbar.com. Thank you for your help.

Sincerely,
Cory Squires
State Bar of Texas Department of Research and Analysis
